**BALTIMORE** (August 20, 2018) – **Tower Federal Credit Union**, the largest federal credit union in Maryland with more than \$3 billion in assets, has signed a lease with St. John Properties, Inc. for more than 3,500 square feet of space within 231 Najoles Road at the I-97 Business Park in Anne Arundel County. Tower intends to relocate its current branch at Old Mill Plaza in Millersville, along with approximately 15 employees, to this new location in October. The credit union, which is headquartered in Laurel and currently operates 16 branches throughout central Maryland, will join Keller Williams Realty, Flagship of Maryland, and First Home Mortgage within 231 Najoles Road. Bill Holzman, Vice President, Retail Leasing for St. John Properties represented the landlord in this transaction.

“As part of our continuing strategy of evaluating the strength of our real estate, we decided to move to 231 Najoles Road to take advantage of a highly-visible office building while also elevating our branch technology to better serve the needs of our members,” explained Al Smith, Senior Vice President, Member Services for Tower.
