ST. JOHN PROPERTIES PROMOTES MARK HADAWAY TO SENIOR PROJECT MANAGER IN INTERIOR CONSTRUCTION GROUP

BALTIMORE, MD (September 24, 2020) – St. John Properties, Inc. a Baltimore-based full-service commercial real estate development and investment company, has promoted **Mark Hadaway** to Senior Project Manager in the company’s Interior Construction group. Mr. Hadaway has worked with the company since 2000 and formerly functioned as Project Manager and prior to that as a Building Engineer.

Mr. Hadaway will continue to manage the interior construction build-out activities for clients throughout the St. John Properties portfolio in the Maryland region. This includes acting as a liaison between the company and third-party subcontractors in the daily oversight of construction activities, in addition to managing budgets, schedules and safety protocols.

Mr. Hadaway has more than 20 years of construction management experience.

“We can always count on Mark to deliver exceptional build-out results, and this promotion reflects the high value Mark brings to the company and our clients,” stated Tom Nelson, Vice President, Interior Construction for St. John Properties. “His detail-focused approach, formulated from nearly two decades of experience, proactively identifies potential challenges in construction projects, which saves critical time and money. Mark consistently brings a positive attitude and problem-solving approach to every assignment.”

St. John Properties, Inc., founded in 1971, owns and has developed more than 20 million square feet of Flex/R&D, Office, Retail and Warehouse space in Maryland, Colorado, Louisiana, Nevada, Pennsylvania, Virginia, Utah and Wisconsin. The company was named “2018 Developer of the Year” for the Nation by NAIOP, the Commercial Real Estate Development Association. For more information about the company, visit www.sjpi.com.
