## ST. JOHN PROPERTIES SELECTS KIRSTEN EATON AS LANDSCAPE DESIGNER

**BALTIMORE, MD** (April 29, 2021) – **St. John Properties, Inc.**, a Baltimore-based full-service commercial real estate development and investment company, has announced the hiring of **Kirsten Eaton** as Landscape Designer. Ms. Eaton, a recent graduate of Penn State University, brings her landscape design and landscape installation-related experience to this new position. She previously worked as a freelance designer.

In her new role with the company, Ms. Eaton will work with the company's in-house development team to design and execute landscape and hardscape plans for the company's new and existing business parks. She will also assist in preparing and updating in house standards for design, signage, and site work.

Ms. Eaton earned her Bachelor's degree in Landscape Architecture from Penn State University and studied abroad at the Barcelona Architecture Center in Spain and the Akademie für Internationale Bildung in Germany.

"First impressions are of utmost importance to our company, which is why St. John Properties has always invested heavily in designing and maintaining best-in-class exterior environments at our business communities to help set us apart," explained **Tom Pilon**, Senior Vice President, Development for St. John Properties. "We believe our attention to detail on the outside of our buildings sets the tone for the high-quality interior environments and unparalleled level of service we consistently provide to our clients. "We believe Kirsten will bring tremendous value to our existing team and the clients we serve."

Founded in 1971 and headquartered in Baltimore, Maryland, St. John Properties, Inc. is one of the Mid-Atlantic's largest privately held commercial real estate firms. The company is distinguished by their commitment to customer service, achievements in green building, and top-rated workplace culture.
