

Total SF Available:
3,044-6,088 SF

New flex/R&D, drive-in, dock doors (2), end unit with 18' clear heights

Note: This space plan is subject to existing field conditions. This drawing is proprietary and the exclusive property of St. John Properties, Inc. Any duplications, distribution, or other unauthorized use is strictly prohibited.

St. John Properties has perfected the design and construction of flex/research and development (R&D) buildings by combining expansive windows and attractive landscaping in the front with loading capabilities in the rear.

Most flex/R&D buildings offer 30-foot-wide spaces and 16 to 18-foot clear ceiling heights for maximum flexibility.

Above, top to bottom: Electric vehicle charging stations at 4961 Tesla Drive; drive-in loading with wide truck court
