About Mequon Research Center

Mequon Research Center is a business community located near the intersection of W Donges Bay Road and N Baehr Road in Mequon, Wisconsin.

Mequon Research Center is comprised of six buildings, totaling more than 190,600 square feet of office and flex/R&D space. Tenant sizes from 1,500 square feet to 48,400 square feet of space offer businesses straight-forward, economical and high-utility space.

About St. John Properties

St. John Properties, Inc. is one of the nation's largest and most successful privately held commercial real estate firms. Founded in 1971 by Edward St. John and headquartered in Baltimore, Maryland, the company has develops, owns, and manages more than 24 million square feet of office, flex/research and development, warehouse, retail and residential space nationwide. St. John Properties is a vertically-integrated real estate developer, and maintains an excellent credit history with no loan defaults. In 2018, the company was named The National Developer of the Year by NAIOP, the Commercial Real Estate Development Association.

Flex/R&D/Office

Direct-entry flexible space

St. John Properties has perfected the design and construction of flex/research and development (R&D) buildings by combining expansive windows and attractive landscaping in the front with loading capabilities in the rear.

Most flex/R&D buildings offer 30-foot-wide spaces and 16-foot clear ceiling heights for maximum flexibility.
