About Riverside Tech Park

Riverside Tech Park is a 70-acre business community comprising of 14 buildings totaling 753,560 square feet of space in an attractive and professional corporate environment. The park is ideally situated along the main entrance to the National Cancer Institutes's (NCI's) 330,000 square foot state-of-the-art R&D facility, home to the Advanced Technology Partnerships Initiative (ATPI). NCI's facility is the nation's only federally funded R&D center dedicated solely to biomedical research and development. Additionally, Riverside provides exceptional access to local dining, shopping, and service amenities.

The buildings in Riverside Tech Park are high-utility, economical, and efficient, offering unmatched flexibility to provide a custom-tailored facility for our tenants' specific requirements, including office, laboratories, retail, and storage uses. The single-story buildings feature expansive 30 ft. by 30 ft. column spacing, 16-18 ft. clear heights, high voltage electric service, impressive drive-in and dock loading facilities, and flexibility for unlimited space configuration options.
