## ST. JOHN PROPERTIES, INC. SELECTS JASON LEPPERT AS DIRECTOR, QUALITY CONTROL

**GOLDEN, CO** – **St. John Properties, Inc.**, a full-service commercial real estate development and management company, has selected **Jason Leppert** as Director, Quality Control. Headquartered in Baltimore, Maryland the company has operated a regional office in Colorado since 1987, where they have developed more than 1.5 million square feet of commercial space across four business communities. Leppert brings more than 17 years of business and real estate experience to this position, and was formerly a Maintenance Engineer for Mastino Management.

In his new role, Leppert will proactively inspect the company’s business communities on a regular basis to detect quality control areas of concern, as well as functioning as the primarily point-of-contact with clients to address maintenance issues. Leppert will also lead a team of maintenance staff and coordinate activities with St. John Properties’ in-house property management, leasing and construction teams as the company’s portfolio in Colorado continues to expand with the development of additional business parks.

“Proactively maintaining best-in-class business environments for our clients is a key mission of St. John Properties, and it is also extremely important to remain highly vigilant and responsive to client requests,” explained **Brandon Jenkins**, Regional Partner, Colorado for St. John Properties. “Jason’s extensive background in property management, together with his high-level organizational and communication skills, makes him the ideal professional to fill this role.”

Founded in 1971, St. John Properties, Inc. is one of the nation’s largest and most successful privately held commercial real estate firms. The company is distinguished by its commitment to customer service, achievements in green building, and top-rated workplace culture. Throughout St. John Properties’ 51-year history, the company has developed more than 22 million square feet of flex/R&D, office, retail, warehouse space and has investments in over 2,600 apartments. The company proudly serves more than 2,500 clients in Colorado, Louisiana, Maryland, Nevada, Pennsylvania, Texas, Virginia, Utah, and Wisconsin.
