ST. JOHN PROPERTIES HIRES DJ ANDREW TO FOUR-YEAR PARTNER-IN-TRAINING PROGRAM

Five professionals now in program designed to fuel company's national expansion

BALTIMORE, MD (September 1, 2022) - **St. John Properties, Inc.**, a commercial real estate development and management company active in nine states, has hired **DJ Andrew** as the latest professional in its signature four-year Partner-in-Training Program. The sequence, which prepares participants to open a new regional office in an area of the country identified as a growth market, teaches six different commercial real estate disciplines including development, construction, marketing, leasing, tenant improvements and property management. Andrew, a Certified Public Accountant, spent the past three years working with **The Related Companies**, a global real estate company based in New York City, most recently as Director of Financial Planning & Analysis.

Eight professionals have completed the Partner-in-Training Program since its inception and an additional five are presently enrolled. **Brooke Harlander**, the most recent professional to complete the program, was promoted to Regional Partner and opened an office in Austin, Texas earlier this spring. In addition, Brandon Jenkins finished the Partner-in-Training Program in 2019 and was named Regional Partner of the company's Colorado regional office. The Colorado regional office has developed and manages approximately 1 million square feet of commercial office and flex/R&D space in the greater Denver metropolitan region.

“Our Partners-in-Training represent the future growth of St. John Properties, and our long-term vision to expand into emerging markets across the country,” stated **Lawrence Maykrantz**, President and CEO of St. John Properties. “When identifying new talent for this program, we specifically target well-rounded individuals with strong leadership and communication skills. DJ’s experience in the financial and real estate industries provides him with a strong foundation and makes him perfectly suited for our Partner-in-Training program.”
