About Westinghouse Crossing

Westinghouse Crossing is located at the intersection of Westinghouse Road and North Mays Street in Georgetown, Texas. The business community provides easy access to surrounding areas with direct access to I-35. The property is connected to University Boulevard, one of the busiest thoroughfares in the area, allowing tenants quick and convenient access to a wide array of retail amenities.

Upon completion, the project will contain 171,071 square feet of flex/R&D space, 39,610 square feet of single-story office, and 14,896 square feet of retail space. Development plans also include up to 1.37 acres of land for pad site use.
