About International Trade Center

The 93-acre business community is located off MD Route 176 (Dorsey Road) north of MD Route 100 near Baltimore-Washington International Airport in Anne Arundel County. It is also adjacent to St. John Properties' BWI Commerce Park, located at Dorsey and Old Telegraph Roads.

The unified architecture of St. John Properties' nine buildings, comprising more than 430,800 square feet of flex/R&D space, provides International Trade Center a campus-like business environment. Tenant sizes from 3,000 square feet to 56,237 square feet of space offer businesses straight-forward, economical and high-utility space in a covenant-protected, well-maintained atmosphere.

Thirty foot wide spaces combined with 16 foot high ceiling heights offer maximum flexibility. Free, generous parking is available adjacent to each building.
